Our virtual goody bag offers you the opportunity to post digital coupon offers and hyperlinks to your company website - it's entirely up to you. A link to the virtual goody bag will be featured on the high-traffic La Jolla Half Marathon website prior to and following the event. In addition to being available on the event website, the virtual goody bag will be emailed to all half marathon and 5K participants. In comparison to the traditional one touchpoint physical goody bags, the virtual goody bag offers far greater exposure and more touchpoints. Because you no longer need to produce the actual materials to be inserted in the traditional bag, the virtual goody bag is more economical and environmentally friendly too.

Cost:
