IMPORTANT FULL MARATHON COURSE DETAILS

The marathon shares the same roads as the half marathon. Each race has a designated and marked lane. You must stay in your designated lane. Lanes will be marked with signage and cones.

The full marathon is run on a looped course and there are a few locations where the course differs from the half marathon course. **There is a CRITICAL turn at Mountain View in order to make the second loop of the marathon.** If the turn is not made, approximately 8 miles of the full marathon course will be missed.

Please be sure you are familiar with the course map [here](#) and be aware that due to the looped course, faster marathoners will pass slower marathoners heading north on Carlsbad Boulevard from Breakwater to Mountain View.

You must be at the marathon starting line at 6:15 a.m. Late starters are not permitted. Timing mats will be immediately turned off after the race start.

COURSE TIME LIMIT

There is a 6-hour time limit. Participants must maintain a 13:44-minute-per-mile pace or faster throughout the event.

Full marathon participants who have not reached mile 7.5 by 8:00 a.m. will be turned around at Breakwater Road and not be permitted to complete the 3.5 mile loop from Breakwater Road to La Costa Avenue and back.

Those unable to reach Carlsbad Boulevard and Carlsbad Village Drive by 11:45 a.m. will be redirected to the finish via an alternate route. Diverted participants will use sidewalks and be considered pedestrians while following a route equal to the marathon distance.

OFFICIAL PACE GROUPS

On Pace will be providing pacers to lead you through the race in your target time. Pacers carry a sign showing their projected finish time and will be staggered accordingly in the start line corrals. Learn more [here](#).

TIMING

The back of your bib number will have metallic stickers which are your timing device and should not be removed.

RACING CHAIRS AND HANDCYCLES

Racing chairs and handcycles are NOT allowed in the full marathon, only the half marathon and Surf Sun Run 5K. If you have any questions, contact In Motion at 760.692.2900.

MEDICAL SUPPORT

A medical tent will be located at Cannon Park and in the Finish Line Festival. If you experience a medical issue on the course, go to the nearest water station for assistance. Race Guards will also be monitoring the course - flag them down if you need help. If you cannot finish the race, transportation to the finish line can be called for you from most water stations.

ASSISTANCE, UNOFFICIAL PACING

Cyclists, skaters, unofficial pacers, and unregistered runners/walkers are not allowed anywhere on the course. **Anyone participating with a jogging stroller must stage in the back of their assigned wave.** These rules are in place for safety and will be enforced by the Carlsbad Police Department and course officials.

GEAR CHECK

Gear Check will be available through Mobile Locker ONLY. Locker rentals give you a secure, convenient storage option for your gear at the event site. You can pre-purchase a locker during registration or on race day.

Mobile Locker will be stationed in the Finish Line Festival where it can be accessed before or after your event. If you didn't purchase a locker during registration and would like to purchase one prior to event day, you can do so [here](#).
